**CORAM : R.S. MOHITE, J.**
**DATED : 15/11/2006.**

**P.C.**

1. Heard Advocate for the petitioner. It is noticed that when the first petitioner accepted the child on 8.4.2006, he was still running 55 years and had not yet attained the age of 56 years though the cumulative age of prospective parents was above 90 years. It is noticed that the child is deformed in one limb. It is found that the petitioners appear to be persons with good income and a good home and have agreed to accept the child with knowledge of her deformity. Hence, as a special case petition is allowed and the Judge's order is separately signed. Additional documents tendered today under praecipe by the Advocate for the petitioner are taken on record.
